ANNIVERSARY

MEMORIES

Memory #1: I don't know about you, but I'll never forget our 1st real home together.
7407 Clamdigger Dr, Blaine, WA. December 15, **2008** to the end of Sep 2009.

Memory #2: However, that doesn't top our 2nd, much nicer home IMHO; complete with a much better kitchen to cook up some much better holiday memories in.
8382 Richmond Park Rd, Blaine, WA. September **2009**...

Memory #3: Several years we enjoyed spending X-mas with all your pals from work. For example December 20, **2010**. Those were fun times. But, I love spending holidays with you even more.

Memory #4: Bet we'll never forget one of our early anniversary trips where we went to the Grand Canyon, Lake Powell, Bryce Canyon, et al. August 14 to 19, **2011**. Here's a photo where I captured **two of the greatest wonders of the world...** in one shot.

Memory #5: In August of **2012** we took that California trip which we planned, chuck full of memories, which would never have been the same except for the fact I got to spend all that quality time with **YOU!**

Memory #6: Do you remember when we took a few days off and spent some quality time hiking in the high Cascades around July of **2013**; including our Maple Loop hike? I wish I were able to keep doing hikes like that with my favorite hiking partner forever. We'll see.

Memory #7: Off to Hawaii October 26 to November 3 of **2014** we went. Again more great memories thanks to having a “lover dubber” like you to explore the wonders of the world with... even if I did make you put all your first-aid skills to good use once again.

Memory #8: Here's a photo of one of mom's birthdays that wouldn't have been nearly as good without you being there to share in the moment also; March 24 of **2015**.

Memory #9: Once again you cooked up a great meal for the Canadian clan; June 26 of 2016. Glad I picked a wife who knows how to really work her magic in the kitchen.

Memory #10: Our 10th Anniversary trip was one for the books also; September 10 to 17 of 2017. My hiking girl at 6145 feet up on Mt Kobau near Osoyoos.

Memory #11: Do you remember when we went to Portland to celebrate dad's 90th birthday; May of 2018? Well at least you seemed to be having fun like the rest of us.

Memory #12: That's probably the last time I'll ever get a chance to hit a *fast ball*. How the heck you managed to get that shot, right before I hit the ball (no less), is beyond me. I still had pretty good form too. Thanks!! Kelowna BC on May 26, 2019.

Memory #13: Happy wife, happy life. That year you took us to Whistler BC. Covid or no Covid we had a load of fun. And you got to take some walks down memory lane.
July 2020.

Memory #14: Show off! Heading back via Penticton after our trip to Nelson BC.
October 2, 2021... and yes, **Happy Birthday!**

Memory #15: It was hard to decide what day was the most memorable in 2022. Was it a day in our 60 day USA cross country trip? Or perhaps our Alaska trip? Or will it be our 15th anniversary trip? They are all worth a million bucks in my book.

This is the day we were in New Orleans and drove out of town to take the swamp tour. Hard day to forget. And that's just **one of hundreds of days** when I was thinking I was **a pretty lucky dude to have you for my wife!!**

March 18, 2022!

I LOVE YOU!
